## **Summary of Activities – June 2008**

Followed up on projects submitted to Melancon, Scalice, Vitter and Landrieu offices. Met with Tanner Johnson in Senator Landrieu's office and discussed USACE appropriation request to be sure they included language for parish storm damage reimbursement. Also asked Tanner Johnson and Charles Brittingham in Senator Vitter's office when they would be headed down to the state in the summer. Both said that they would be going in August and I am trying to make arrangements for them to visit St. Charles Parish.
